

REQUEST FOR EXPRESSION OF INTEREST

(For technical partnership with industry leader for establishing advanced training lab at CoESahaspur, Skill Hub)

Objective: Establishment of Advanced training labs in Centre of Excellence @ Skill Hub, Sahaspur

Location: Sahaspur, Dehradun

Expression of Interest:

1. Department of Skill Development and Employment, Government of Uttarakhand has initiated and introduced various programs and projects to transform the current landscape of the skill development and employment as a development objective and increase the number of labour-market-relevant highly skilled workers through various interventions.
2. The Department of Skill development and Employment (DSDE), through Directorate of training and Employment invites industry leaders (OEMs and authorised dealers) to submit EOI for establishment of the advanced lab along with suitable courses linked to better career prospects of the trainees. A tender will follow the EOI finalising the equipment and courses.
3. **Background:** DSDE is in process of establishing a Centre of Excellence at Skill Hub, Sahaspur, located near SELAQUI Industrial area in Dehradun. SkillHub is in process of building and dedicating a place of about 20000 SFT consisting of Six 2500 SFT workshops with additional space for classrooms, store facility and other amenities. The Center is also being equipped with more than 100 bedded Hostel facility and is strategically being developed to cater to the counselling needs of youth, high end skill training, Faculty development Center and Overseas placements etc.

In the process of establishing the Center of Excellence in the campus, DSDE plans to approach and interact with various industry leaders and Multinational corporations to understand the latest technological developments and skill training needs before finalizing the high-end equipment and courses required across the below envisaged training areas. procurement of high-end equipment is envisaged for the following training areas mentioned below:

S.No	Sector / Field	Training Areas
1	Electrical Technology	Electrical Installation, Industrial Control and Automation etc
2	Facility Management and services	Fire and Safety
3	Facility Management and services	Advanced Plumbing
4	Facility Management and services	Refrigeration and HVAC
5	Facility Management and services	Home and Building automation
6	Facility Management and services	Energy Management etc
7	Manufacturing and Production Technology	Precision manufacturing,
8	Manufacturing and Production Technology	Robotics and Automation
9	Manufacturing and Production Technology	Advanced Welding,
10	Manufacturing and Production Technology	Mechatronics
11	Manufacturing and Production Technology	pneumatics
12	Manufacturing and Production Technology	Packaging, Industrial maintenance etc
13	Automotive Services and Technology	Automotive installation, maintenance, repair and service, EV technology etc
14	Industrial Digitization and connectivity	Industry 4.0, IOT cyber security etc

4. Considering the high end and latest technology of the machinery planned for procurement and the objective of training and placing candidates as highly skilled workforce in India and overseas, REoI is floated to invite all the potential applicants of repute to submit their EoI for shortlisting and finalising the equipment before releasing the RFP for procurement and establishment. The industry partners are expected to fill the relevant formats attached including few organization details like prior experience, turnover etc and Lab equipment and course details.
5. The department is looking forward for turn-key solution provider/s who will not only establish the Lab, but also provide the course content and depute 2 instructors per lab for at least 2 years. The detailed RFP will be released in succession. The interested proposers are requested to append any further details worthwhile sharing as Appendix 1 including but not limited to Lab design, detailed equipment specifications, brochures etc.

6. The potential applicants are envisaged to be the OEMs or industry leaders (authorised dealers) of respective technical area with the following minimum requirements of 5 years existence in India, INR 50 Cr average turnover over last 3 years, experience in establishment / providing majority equipment to a CoE(or Advanced technical training institute) and prior experience of working with government in the space of vocational education / skill development in the field / area.
7. Further information can be obtained at the address below during office hours from 10:00 to 17:00 hours or by attending a pre-consultation meeting to be held on 31st July 2023, 11:00 AM at SPIU –Conference Hall, 3rd Floor, Govt. ITI(Women), 26 EC Road, Dehradun. Queries can also be emailed for seeking clarifications on or before 28th July 2023, 5:00 PM. attending the pre-consulting meeting is not mandatory. The minutes of meeting can be viewed by all on the website – www.uksdm.org and <https://dsde.uk.gov.in>
8. The eligible firms if interested may send an expression of interest either in a soft copy through authorised email or in a written form including the signed declaration along with the declaration as illustrated in Annexure -1 to the above-mentioned office on or before 16th August 2023, 5:00 PM.
